

MURPHY (born 1993)

Murphy was a quarter horse that was a former race horse. He was Partners' foundation horse and was in therapeutic riding longer than any other horse in the program. He earned his retirement, and we thank Murphy for his tremendous service to us! Murphy allowed so many different types of riders to experience freedom on his back. In July of 2019 Murphy crossed the rainbow bridge where beloved pets run free again. He is missed and loved and will be forever a part of Partners history as we continue the mission that began with Murphy in 2002.

Murphy received a lifetime achievement award in 2014 for his service.
