

OLY (born 2001)

Oly is a registered Norwegian Fjord gelding. He used to roam the trails of the Eastern Sierras as well as compete in jumping, cross country and dressage at summer riding camps before moving to San Diego in 2016. He is remarkable for his Mohawk haircut, as well as his sturdiness, intelligence and sensible, kind nature. He has proven to be an outstanding member of our crew. His walk is forward and free providing lots of sensory input for our riders. His steady nature allows both lead line and independent students to ride him.
